

Week 5 — Planning a User Research Activity

Due this week: Individual Assignment 1 (analytical essay). Confirm submission channel before leaving class.

Today's focus

- Draft interview questions and consent wording
- Prepare an observation note template
- Lock a research plan that can run in Week 6

Roles

Role	Name
Facilitator	
Interview lead	
Consent / ethics lead	
Observation lead	

Activity 1 — Decision & method fit (20 min)

Field	Notes
Design decision this research must inform	
Method (interview / observation / mixed)	
Why this method fits the decision	
Who you will recruit (and who you will not)	
Sample size for this workshop cycle	

Activity 2 — Consent prep (20 min)

Draft plain-language consent (fill blanks):

Element	Draft text
Purpose of the study	
What the participant will do (time)	
Recording (audio / screen / notes)	
How data is stored & who sees it	
Right to stop / skip	
Contact for questions	

Activity 3 — Interview guide (35 min)

Write **6–8** questions. Prefer open prompts. Avoid leading wording.

#	Question	Follow-up probe
1		
2		
3		
4		
5		
6		
7		
8		

Activity 4 — Observation template (25 min)

Timestamp / step	What they did	Quote / paraphrase	Note type (fact / interpretation)
