

Week 8 — Ideation Workshop

Today's focus

- Diverge with sketches / concept notes against your HMW
- Converge with explicit selection criteria
- Collect peer comments before wireframing (Week 9)

Roles

Role	Name
Facilitator	
Sketch lead	
Criteria lead	
Presenter	

Activity 1 — Warm-up & rules (10 min)

HMW from Week 7: _____

Rules: quantity first; defer judgement; one idea per sticky / cell; build on others.

Activity 2 — Diverge (35 min)

Generate **at least 12** concept titles (sketch on paper; list titles here).

#	Concept title (5 words max)	Sketch done? (Y/N)
1		
2		
3		
4		
5		
6		
7		
8		
9		

Activity 3 — Selection criteria (20 min)

Agree criteria **before** voting. Score later concepts 1–5.

Criterion	Why it matters for our users	Weight (optional)
Addresses core pain		
Feasible in semester tools		
Testable in a prototype		
Inclusive / accessible by default		
(Add one)		

Activity 4 — Converge & peer critique (40 min)

Shortlist **3**, then pick **1** primary + **1** backup.

Concept	Criteria total	Keep / cut	Peer comment (from another group)

Selected primary concept: _____

One-sentence rationale: _____
